Henley-Putnam University Offers New Certificate Programs in the field of Strategic Security

San Jose, CA, May 5, 2009 – Henley-Putnam University, a premier university for online higher education in the field of Strategic Security, is pleased to announce that it is now offering Certificate Programs in Strategic Security related disciplines. Strategic Security is an emerging field of study that encompasses all aspects of Intelligence Management, Terrorism and Counterterrorism Studies, and the Management of Personal Protection.

The new certificates are designed to help students to develop the relevant job know how and tradecraft skills vital for advancement in the field of Strategic Security, while still maintaining the flexibility to fit these courses around their full time job or other pursuits.

Henley-Putnam's new Certificate Programs are offered in the following areas:

- Executive Protection
- Intelligence Analysis
- Counterterrorism Studies
- Security Management
- Intelligence Collection
- Strategic Intelligence
- Intelligence and Counterterrorism Profiling

According to Dr. Michael Corcoran, Henley-Putnam University President –"By offering these certificates we have now come full circle in presenting a complete educational opportunity for anyone in or wanting to learn more about the Strategic Security industry. Not only are these certificates germane to specific needs, they are being taught by the same experienced instructors as our degree courses and they offer the same number of course credits."

Additional information about Henley-Putnam's Certificate Programs can be found at www.Henley-Putnam.edu/758-289.htm.
