

Announcing the most powerful and innovative seminars in counterterrorism training!

These revealing seminars will introduce you to breakthrough information in the exciting field of counterterrorism.

Limited to the first 119 reservations.

*Aug 4-5, 2009: "Target Psychology: Understanding the Terrorist Mindset"**

In law enforcement, you need an appreciation of the psychological profile of your adversaries so you will better accomplish your sworn duty. While **you** train to save lives, you can rest assured that *Islamic terrorists could care less!* Street cops, trainers and supervisors: You are obligated to train with the knowledge that the terrorists you will certainly encounter are far different than the criminal psychopaths you've handled in the past.

*Aug 6-7, 2009: "Wargaming – Check and Mate: The Key to Planning a Successful Mission"**

The chess game of Terrorology is a logical process of action, reaction, and counteraction by visualizing the execution of each friendly course of action (COA) in relation to a known adversary's COA and reactions. Failing to **plan** is guaranteeing failure. Practice does **not** make perfect; *perfect practice makes perfect*. You **will** learn how to practice perfectly the strategies you will learn in this course, all of which will allow you to CHECKMATE TERRORISTS!
