

Announcing a powerful and cutting-edge seminar in counterterrorism training!

This startling seminar will introduce you to breakthrough information in the exciting field of counterterrorism.

Limited to the first 47 reservations.

*Oct 1-2, 2009: "Counterterrorism for Law Enforcement"**

You will be given the tools to understand the mindset of terrorists. And you'll learn situational awareness and strategic visualization from intelligence data legitimatizing the threat. That information may alter your operational and tactical approach to ***prevent a terrorist attack!*** You'll also discover there is a psychological impact on all victims, responders, and witnesses of a terrorist attack and how you counter their emotions. Armed with this *innovative knowledge*, you will have a **greater ability** to protect and serve your community.

* * * * *

* You'll receive a FREE membership in, and a professional Certificate of Attendance from, the National Center for Crisis Management.

Aristotle wrote, "Excellence is an art won by training and habituation. We do not act rightly because we have virtue or excellence, but we rather have those because we have acted rightly. We are what we repeatedly do. Excellence, then, is not an act but a habit." This is the "excellence" **you need** to convert training into "habit!"
