

Experience the most useful seminar in active shooter training!

Discover breakthrough information in the exciting fields of active shooters and conflict resolution.

Limited to the first 63 reservations.

*Dec 1-2, 2009: "School Safety and Security"**

You will reach a better understanding of how to define and identify an active shooter! You will expand your knowledge of historical tactical situations which *prepares you to confront the challenges* and aftermath of active shooter scenarios. You will learn the essential skill set required to coordinate, educate, and train with local schools and businesses in order to prevent, react, and recover from future incidents. And -- you will learn from case studies and shared professional experiences, which will absolutely increase your ability to perform your sworn duty to protect and serve!

* * * * *

* You'll receive a FREE membership in, and a professional Certificate of Attendance from, the National Center for Crisis Management.

* AZ POST certification pending.

Peter Drucker wrote, "There is the risk you cannot afford to take, and there is the risk you cannot afford *not* to take." Can you afford to "risk" the **safety of children in your community**? Then you MUST attend this course!
