

## Announcing the most powerful and innovative seminar in counterterrorism training!

This revealing seminar will introduce you to breakthrough information in the exciting field of counterterrorism.

**Limited to the first 63 reservations.**

*Nov 30, 2009: "Train as You Fight: Mastering the Art of Target Psychology"\**

You need an appreciation of the psychological profile of your adversaries to better accomplish your sworn duty. While **you** train to save lives, you can rest assured that *Islamic terrorists could care less!* Street cops, trainers and supervisors: You are obligated to train with the knowledge that the terrorists you will certainly encounter are far different than the criminal psychopaths you've handled in the past.
